Toronto, Ontario, M4P 1E4

Dear Nancy Marconi:

**Re: Enbridge Gas Inc. ("Enbridge Gas" or the "Company")
Ontario Energy Board ("OEB") File No.: EB-2024-0200
St. Laurent Replacement Project ("Project")
Notice of Project Planned In-service Date**

On March 18, 2025, the OEB issued its Decision and Order for the above noted proceeding which included, as Schedule A, several Conditions of Approval.

Per Condition 2 (b) (ii) of the Conditions of Approval, Enbridge Gas shall give the OEB notice in writing of the planned in-service date, at least 10 days prior to the date the facilities begin to go into service. Enbridge Gas is therefore advising the OEB that the first section of NPS 4 PE facilities began going into service on June 16, 2025.

Enbridge Gas wishes to acknowledge that the 10 days' prior notice period stipulated in the COA was inadvertently missed.

Please contact me if you have any questions.

Yours truly,

Olatunbosun Ishola
