Issues:

SEC is materially impacted by this application, as its members are customers of the Applicant. SEC has an interest in all issues affecting rates, and in this case, most notably in the proposed Z-Factor and earnings sharing mechanism (ESM), which would be the focus of our intervention.

Policy Interests:

N/A

Hearings:

Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

Evidence:

SEC does not currently intend to file evidence in this proceeding.

Coordination with Other Intervenors:

SEC will coordinate with other intervenors with similar interests, where appropriate, to promote responsible participation in the proceeding.

Cost Awards:

SEC applies for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC's members are customers of the Applicant and eligible for an award of costs pursuant to section 3.03(a) of the Practice Direction. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.
