

EB-2008-0115

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act*, 1998 by
Huron Wind Inc. to amend Schedule 1 of electricity
generator licence EG-2001-0786.

By delegation, before: Jennifer Lea

DECISION AND ORDER

Huron Wind Inc. filed an application on May 23, 2008 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend Schedule 1 of the electricity generator licence, EG-2001-0786.

Schedule 1 on the licence, EG-2001-0786, currently lists the Tacke TW600e wind turbine as a generation facility owned and operated by Huron Wind Inc. The generation facility is in fact not owned and operated by Huron Wind Inc. and Huron Wind Inc. has no interest in the facility. The generation facility was listed in Huron Wind Inc.'s Schedule 1 as per letter from Huron Wind Inc, dated November 26, 2001, in anticipation of a transfer of the facility from Ontario Power Generation. That transfer was not completed. This error was recently discovered during a review resulting from the sale of Ontario Power Generation's interest in Huron Wind Inc. and Huron Wind L.P. The licence of Ontario Power Generation correctly lists the Tacke TW600e wind turbine as a generation facility owned and operated by Ontario Power Generation.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to Schedule 1 of the licence.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of the electricity generator licence EG-2001-0786 is amended to remove reference to the Tacke TW600e wind turbine generation facility. The amended licence is attached to this Order.

DATED at Toronto, November 19, 2008

ONTARIO ENERGY BOARD
