**RE: Enbridge Gas Inc. (Enbridge Gas)
2024 Rebasing Application – Phase 3
Ontario Energy Board File Number: EB-2025-0064**

In a letter dated September 15, 2025, the OEB granted the parties an extension to continue settlement discussions until October 10, 2025. The OEB directed the parties to file a letter providing an update on the status of the settlement discussions including whether a tentative agreement has been reached.

On October 14, 2025, the parties provided a status update noting that no tentative agreement has been reached and requested a further extension to continue settlement discussions until November 21, 2025.

The parties referenced Mr. Ken Rosenberg's (the facilitator) observation that there is real and material progress on the ongoing settlement discussions. The parties further expressed willingness to provide a status update by November 5, 2025.

The OEB approves the requested extension until November 21, 2025, and instructs the parties to provide a status update by November 5, 2025.

Yours truly,

Ritchie Murray
Acting Registrar
