Re: Board File No. EB-2025-0036 – 2026 Incentive Regulation Mechanism Application
Greater Sudbury Hydro Inc. – Licence No. ED-2002-0559

Dear Mr. Murray:

Please find enclosed an updated IRM Rate Generator Model and Proposed Tariff of Rates and Charges for Greater Sudbury Hydro Inc.'s (GSHI) application for distribution rates effective May 1, 2026.

The revisions relate solely to the addition of a rate rider for the disposition of Account 1580 RSVA WMS, subaccount Class B. Following the initial filing, GSHI identified that tab 6.2 (CBR) had not populated in the model. As a result, the rate rider did not appear on the tariff sheets and was not reflected in the bill impacts. The enclosed materials correct this omission.

Should you have any questions or require further information, please contact the undersigned.

Sincerely,

Tijja Luttrell, CPA, CA
Manager of Regulatory & Management Systems
Greater Sudbury Hydro Inc.
