Dear Rightsholder/Stakeholder:

**Indigenous and Stakeholder Information Session:
Application for 2027-2031 Payment Amounts for OPG's Prescribed Facilities**

Ontario Power Generation Inc. (OPG) is preparing an application to the Ontario Energy Board (OEB) for new payment amounts and riders for its regulated facilities effective January 1, 2027.

OPG plans to file the application in November 2025. The purpose of this letter is to invite you to participate in an indigenous and stakeholder information session that OPG is conducting in advance of filing the application.

We are contacting those who we believe may have an interest in the application. The objective of OPG's indigenous and stakeholder information session is to provide an overview of our application.

The information session will be held on November 7, 2025, from 9:00 am to 12:00 pm (approximately) at the Darlington Energy Complex (DEC) located at 1855 Energy Drive, Courtice, ON L1E 0E7 (a map to the DEC is included with this letter). The session will start with a bus tour of the Darlington New Nuclear Program site as well as the Darlington Station. Accordingly, attendees are requested to bring photo identification. OPG has been informed that the OEB will also be conducting a pre-application stakeholder consultation conference. The OEB session will take place following OPG's session from 12:00 pm to 12:30 pm. For the convenience of attendees that wish to attend both sessions, OEB and OPG have agreed to use the same location, webcast platform and call-in details.

The agenda and conference details will be sent to registered participants before the meeting date. All of OPG's presentation materials will be posted on OPG's web-site, www.opg.com following the session. OPG will provide funding for participation in OPG's information session to eligible participants. A copy of the funding guidelines is attached for your information.

If you have any questions, please contact me at evelyn.wong@opg.com. Please confirm your attendance at the session, and whether you plan to attend in person or virtually, by contacting Lori Patchett at lori.patchett@opg.com by October 31, 2025.

Sincerely,

Evelyn Wong

Attachment 1: Participant Funding Guidelines
Attachment 2: Directions to the Darlington Energy Complex

Attachment 1: Participant Funding Guidelines

To facilitate dialogue with its indigenous communities and stakeholders, Ontario Power Generation (OPG) will provide funding to assist those who qualify to participate in its indigenous and stakeholder information session related to its application to the Ontario Energy Board (OEB) for payment amounts for regulated facilities. The funding criteria that will be used are based on the OEB's most recent Practice Direction on Cost Awards. The following provides eligibility guidelines and a description of the funding process.

Eligibility

- The determination of whether a party is eligible for funding will be at the sole discretion of OPG.
- Funding is limited to not-for-profit organizations whose interests are affected by the application such as public interest organizations, environmental organizations, and Indigenous communities.
- Individuals and organizations with a direct commercial or business interest in the application are not eligible for funding. This includes, but may not be limited to, transmitters, wholesalers, generators, distributors, retailers and marketers, or organizations representing these interests.
- Municipal or provincial government staff or representatives are not eligible for funding.
- Parties with similar interests are encouraged to combine their participation.
- Funding will be provided only to stakeholders participating in the discussion session.

Process for Funding and Eligible expenses

- To allow timely processing of requests, it is suggested that stakeholders seeking funding apply to OPG prior to the session. Stakeholders should indicate in writing that they will be participating and include a statement justifying their eligibility. Parties should submit their request for financial support to:

Evelyn Wong

evelyn.wong@opg.com

cc: lori.patchett@opg.com

- Funding will be provided for meeting preparation and attendance for one person based on rates outlined in the OEB's Cost Award Tariff.
- Preparation time is not to exceed an amount equal to the meeting time. Preparation time is only allowed if the stakeholder attends the session.
- As this will be a virtual meeting, no travel expenses will be allowed.
- Reasonable disbursements, such as postage, photocopying, etc., are eligible expenses.
- Eligible participants must submit an OPG disbursement claim sheet form complete with receipts, no later than 30 days after the session.

Darlington Energy Complex (DEC)
1855 Energy Dr., Courtice, ON L1E 0E7

If traveling from the East:

- Hwy 401 west to exit 425 Courtice Rd./Regional 34
- At the stop sign turn left on Courtice Rd. (you will drive under the 401)
- Follow road straight onto Energy Dr. towards OPG

If traveling from the West:

- Hwy 401 east to exit 425 Courtice Rd./Regional Rd. 24
- At the stop sign turn right onto Energy Dr.
- Follow road towards OPG
