Subject: Kingston Hydro Corporation 2026 Rate Application (EB-2025-0026) - Follow-Up Question

Good morning, Sherry,

OEB staff has reviewed Kingston Hydro's interrogatory responses and would like to seek additional information regarding a previous interrogatory response.

In Staff Question-2, variances are noted in Accounts 1580, 1588 and 1589. While Kingston provided an explanation for variances in Accounts 1588 and 1589, no explanation was provided for Account 1580. Could you please also provide an explanation for the variance in Account 1580 (\$ 259,594) , as shown in the Rate Generator Model, Tab 3, Column BW.

Please feel free to reach out for any questions for clarifications.

Thank you.

Best Regards,

Arlene Bernardo, Analyst, Electricity Distribution (she/her)
