

NOTICE OF A HEARING

Impala Canada Ltd. has applied to the Ontario Energy Board to expropriate interests in two parcels of lands in the District of Thunder Bay in Ontario

Impala Canada Ltd. owns and operates a 115kV transmission line that serves the *Lac des Iles* Mine which is located approximately 130 kilometres by road northwest of Thunder Bay.

Impala Canada Ltd. is asking the Ontario Energy Board (OEB) for permission to expropriate a permanent easement over two parcels of lands on which the Impala Line is situated.

Impala Canada Ltd. has identified you as someone who owns or has an interest in part of the lands that Impala Canada Ltd. is seeking permission to expropriate. A copy of the property description and survey maps showing the lands that Impala Canada Ltd. is asking to expropriate are attached to this Notice.

Impala Canada Ltd.'s application is about the expropriation of certain specific lands only. It is not about compensation. The OEB will consider the public interest when making any order authorizing Impala Canada Ltd. to expropriate land. The OEB does not have the authority to determine the amount of compensation.

YOU SHOULD KNOW

There are three types of OEB hearings: oral, electronic and written. If you think a different hearing type is needed, you can write to us to explain why.

During this hearing, we will hear questions and arguments from participants about this case. We will also hear questions and arguments from participants that have registered as Intervenor. After the hearing, we will decide whether to approve the application.
