Subject: Review of the Valuation of Distributed Energy Resources

Good morning,

I would like to attend the Stakeholder Meeting on November 24, 2025.

Information requested:
Attendee: Victoria Coffin
Position: Acting Manager
Organization: the Bay Area Climate Change Council
Phone number: (647) 553-5544
Email: Victoria.coffin@bayareacclimate.ca

We have as a priority enabling the low carbon energy transition in the Burlington – Hamilton Bay Area. We have focused on what the stakeholders across the broader community see as the opportunities and challenges of the transition. There is a lot of concern about how the energy transition will impact average residents. The move to integrate DERs can bring great benefit to communities, though we need to start engaging with residents about the opportunities for them as well as the impacts.

Truly,

Victoria Coffin
Acting Manager
(647) 553-5544

 Bay Area
Climate Change Council
