Dear Tracy Rehberg-Rawlingson:

**Re: Halton Hills Hydro Inc.
Delay in Filing 2026 Incentive Rate Setting Mechanism (IRM) Application
Ontario Energy Board File Number: EB-2025-0034**

This is a response to your letter dated October 29, 2025, requesting an extension to the filing date for Halton Hills Hydro Inc.'s (Halton Hills Hydro) 2026 IRM application from October 30, 2025 to November 14, 2025.

The OEB's Tranche Assignments and Filing Due Dates for IRMs [letter](#), dated June 20, 2025, provided a schedule to all distributors for the filing of their 2026 IRM applications. In accordance with that letter, Halton Hills Hydro's application was expected to be filed with the OEB by October 30, 2025. While the OEB appreciates the issues Halton Hills Hydro has encountered in preparing its application, please be advised that any delays to the filing of Halton Hills Hydro's application could affect the timing of the OEB's final decision and the implementation of rates on May 1, 2026.

Halton Hills Hydro's request to file its IRM application on November 14, 2025, is granted.

Please direct any questions relating to this application to the Case Manager, Arlene Bernardo at Arlene.Bernardo@oeb.ca.

Yours truly,

Ritchie Murray
Acting Registrar
