SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Issues to be Addressed

4. SEC’s intended participation will include the following:
 - a. Proposed issues identified by the OEB;
 - b. Such other issues and concerns that may arise in the course of these consultations, or may be identified by the OEB for inclusion;
