Dear Ms. Walli:

Re: Vulnerable Energy Consumers Coalition (VECC)
EB-2007-0905-Draft Order
Ontario Power Generation Inc.

We are in receipt of comments provided on behalf of CME with respect to the draft order, such comments having been circulated early by counsel for CME to the parties. We support the suggested revisions set out by CME in their comments, on the basis that the changes will provide greater clarity for those looking to the order to determine the effect of the rate changes contained within the Board's decision.

Yours truly,

Michael Buonaguro
Counsel for VECC
