Dear Jonathan Myers:

**Re: Wataynikaneyap Power LP
Wataynikaneyap Transmission Project Semi-Annual Report on CWIP
Account and Backup Supply Arrangements
Ontario Energy Board File No.: EB-2018-0190**

The Ontario Energy Board (OEB) acknowledges receipt of the semi-annual report on CWIP Account and Backup Supply Arrangements for the Wataynikaneyap Transmission Project filed on October 16, 2025, by Wataynikaneyap Power LP (WPLP).

This reporting is required by the conditions of approval in the OEB's April 1, 2019 Decision and Order¹ granting WPLP leave to construct certain transmission lines and related facilities. The report, we note, also includes additional information that WPLP agreed to provide pursuant to the OEB-approved Settlement Agreement in each of its 2022 and 2023 Transmission Revenue Requirement Applications,² but is focused solely on backup power and IPA transfers as accepted by the OEB in WPLP's 2025 Transmission Revenue Requirement Application.³ OEB staff has reviewed the report and has no questions at this time about the information WPLP has provided.

¹ EB-2018-0190

² EB-2021-0134 and EB-2022-0149

³ EB-2024-0176

Please direct any questions relating to this matter to Katherine Wang, Senior Advisor, at Katherine.Wang@oeb.ca.

Regards,

Brian Hewson
Vice President, Consumer Protection & Industry Performance
