Dear Ms. Marconi,

**Re: E.L.K. Energy Inc. (E.L.K.) 2025 Incentive Rate-Setting Mechanism (IRM)  
Application OEB File Number: EB-2025-0047**

E.L.K. was scheduled to file its 2026 IRM application on November 20, 2025, and continues to work diligently to ensure a complete and accurate filing for the OEB's review. E.L.K. understands that OEB staff are currently updating the 2026 IRM model that will be required for finalizing the application. In order to allow sufficient time for E.L.K. to complete its internal reviews and incorporate the updated model once available, E.L.K. respectfully requests a brief extension of its filing deadline to Friday, November 28, 2025.
