Dear Kayla Lucier:

Re: E.L.K. Energy Inc.

**Delay in Filing 2026 Incentive Rate Setting Mechanism (IRM) Application
Ontario Energy Board File Number: EB-2025-0047**

Thank you for your letter dated November 18, 2025, informing the Ontario Energy Board (OEB) that E.L.K. Energy Inc. expects to file its 2026 IRM application by November 28, 2025.

The OEB's Tranche Assignments and Filing Due Dates for IRMs [letter](#), dated June 20, 2025, provided a schedule to all distributors for the filing of their 2026 IRM applications. In accordance with that letter, E.L.K. Energy Inc.'s application was expected to be filed with the OEB by November 20, 2025. The OEB appreciates E.L.K. Energy Inc.'s efforts to ensure a complete and accurate filing, but notes that any delays to the filing of E.L.K. Energy Inc.'s application could affect the timing of the OEB's final decision in this matter and the implementation of rates on May 1, 2026.

E.L.K. Energy Inc.'s request to file its IRM application on November 28, 2025 is granted.

Any questions regarding this matter should be directed to Harshleen Kaur, Advisor, Incentive Rate-setting at Harshleen.Kaur@oeb.ca.

Yours truly,

Ritchie Murray
Acting Registrar
