**Re: Wasaga Distribution Inc.
Service Area Amendment Application
OEB File Number: EB-2025-0254**

On November 10, 2025, the OEB issued its Decision on Supplementary Evidence and Procedural Order No. 3, which established timelines for final submissions in this proceeding.

On November 14, 2025, Hydro One Networks Inc. filed a Notice of Motion seeking an order from the OEB directing Wasaga Distribution Inc. (Wasaga Distribution) to provide answers and/or further and better answers to the interrogatory responses served by Wasaga Distribution in this proceeding. Wasaga Distribution responded by a letter dated November 17, 2025. The OEB has determined that it is necessary to suspend the deadlines set out in the Decision on Supplementary Evidence and Procedural Order No. 3 at this time, as it considers this recently filed material.

The OEB hereby suspends all deadlines established in its Decision on Supplementary Evidence and Procedural Order No. 3. The OEB expects to issue a further Procedural Order shortly.

Yours truly,

Ritchie Murray
Acting Registrar
