Dear Ritchie Murray:

**Re: Enbridge Gas Inc. (“Enbridge Gas” or the “Company”)
Ontario Energy Board (“OEB”) File No.: EB-2022-0247
Scarborough Subway Expansion - Kennedy Station Relocation Project
 (“Project”)
Notice of Full Project In-service Date**

May 9, 2023, the OEB issued its Decision and Order for the above noted proceeding which included, as Schedule B, several Conditions of Approval.

Per Condition 2 b (iv) of the Conditions of Approval, Enbridge Gas shall give the OEB notice in writing of the in-service date for both Phases 1 and 2, no later than 10 days after all the facilities go into service. Enbridge Gas is therefore advising the OEB that the facilities for Phase 2 went into service on November 13, 2025. Enbridge Gas wishes to acknowledge that the 10-day prior notification of the planned in-service date condition was missed inadvertently.

Please contact me if you have any questions.

Yours truly,
