November 27, 2025

DECISION AND ORDER

The Ontario Energy Board (OEB), of its own motion pursuant to section 19(4) of the *Ontario Energy Board Act, 1998* (OEB Act), has initiated this proceeding to amend Schedule 1 of Brighton Beach Power L.P.'s (BBP L.P.) electricity generation licence (EG-2023-0131) to reflect the change in the operations at the Brighton Beach Power Project facility (Brighton Beach Facility).

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

In a decision and order on November 27, 2025, the OEB approved Portlands Energy Centre Inc., on behalf of Portlands Energy Centre L.P.'s application to amend its electricity generation licence (EG-2004-0540) to list the Brighton Beach Facility under Schedule 1 following its assumed control over the operations of the facility. The Brighton Beach Facility was previously owned and operated by BBP L.P. As such, the OEB is amending BBP L.P.'s electricity generation licence to list BBP L.P. as only the owner of the Brighton Beach Facility.

IT IS ORDERED THAT:

1. Paragraph 1 under Schedule 1 of Brighton Beach Power L.P.'s electricity generation licence (EG-2023-0131) is replaced with the following:
 1. The ownership of Brighton Beach Power Project facility located at 100 Broadway St., Windsor, Ontario.
