**Re: 2025-2026 Fiscal Year Holiday Timeout Period
December 20, 2025 to January 4, 2026**

The Ontario Energy Board (OEB) holiday timeout period for the 2025-2026 fiscal year will be from December 20, 2025, to January 4, 2026.

This timeout period recognizes that many offices are closed or operating with limited staff and, as a result, are generally not in a position to meet adjudicative timelines during late December and early January. During this period, the OEB will generally avoid issuing decisions and documents that require immediate action from recipients except in instances where it could impact the implementation of January 1st rates or time-sensitive approvals. The OEB will also consider requests by parties to issue documents during the holiday timeout period.

Yours truly,

Ritchie Murray
