Coordination with Other Intervenors:

OGVG's counsel routinely coordinates its efforts with other intervenors in order to avoid duplication of effort.

Cost Awards:

OGVG is applying for cost award eligibility, and has been found cost award eligible in all the OEB proceedings for which it has applied for intervenor status in the more than 10 years that it has been applying for intervenor status and cost award eligibility. OGVG notes that, pursuant to section 3.03 a) of the Practice Direction on Cost Awards, OGVG directly represents the interest of ratepayers, specifically greenhouse operations that take service from EGI for natural gas service, mostly within the contract rate classes. As a not-for-profit organization, OGVG does not have other funding sources to ensure experienced representation

to participate in and assist the OEB with these regulatory proceedings. Therefore, OGVG would respectfully request a determination of eligibility for cost award in this proceeding. OGVG retains professionals who have experience representing intervenor interests and, OGVG respectfully submits, have assisted the Board in previous proceedings in an efficient and responsible manner.
