Mr. Ritchie Murray, Acting Registrar
Ontario Energy Board
PO Box 2319
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Mr. Murray:

**Subject: Hydro Ottawa Limited (Hydro Ottawa)
Custom Incentive Rate-Setting (Custom IR) Application for 2026-2030
Electricity Distribution Rates and Charges
OEB File: EB-2024-0115**

In accordance with Procedural Order No. 4, issued by the Ontario Energy Board (OEB) on October 23, 2025, a settlement conference was convened between Hydro Ottawa and intervenors. The settlement conference was held on November 4–7, 2025, and continued through November 10–13, 2025.

On November 13, 2025, Hydro Ottawa filed a letter advising that a tentative substantial partial settlement had been reached. The letter further advised that Hydro Ottawa and the intervenors were reviewing the timelines for preparing and filing the Settlement Proposal and would advise the OEB of the need for an extension to the December 2, 2025 filing date established by Procedural Order No. 4.

Since the conclusion of the settlement conference, Hydro Ottawa and the intervenors have been working diligently on a Settlement Proposal for submission to the OEB. Given the number and complexity of the issues to be addressed, and the need for coordination among the parties, additional time is required to finalize the Settlement Proposal. Hydro Ottawa and the intervenors anticipate that the Settlement Proposal and all related attachments will be ready for filing by **no later than Friday, December 12, 2025**, and hereby request a filing extension to such date.

Should you have any questions, please do not hesitate to contact me.

Sincerely,
Signed by:

April Barrie
