Dear Mr. Murray:

Re: EB-2025-0016 Oakville Hydro Electricity Distribution Inc. Application for 2026 Rates

On December 1, 2025, the Ontario Energy Board issued a draft decision and rate order on Oakville Hydro Electricity Distribution Inc.'s (Oakville Hydro) Annual IR Index application for rates effective January 1, 2026.

Oakville Hydro has completed its review and confirms it has no concerns with respect to the draft decision and rate order, with a minor exception relating to 'Section 2. Context and Process' in the decision and rate order document. Paragraph four references approximately 77,000 customers – approximately 79,000 customers would be a more accurate description.

Yours truly,
