Dear Ms. Walli:

Re: West Coast Huron Energy EB-2008-0248

Please accept the attached late Notice of Intervention and Interrogatories on behalf of our client, the School Energy Coalition.

When we were preparing to file our interrogatories of the Applicant, we noticed that we had neglected to file a Notice of Intervention in the matter. We had, however, already reviewed the application and prepared interrogatories. As the proceeding is still in the early stages, we do not believe any party will be prejudiced by adding SEC as an intervenor at this time and we respectfully request that School Energy Coalition's request be granted.

Yours truly,

SHIBLEY RIGHTON LLP
