Dear Mr. Murray:

**Re: Independent Electricity System Operator
2026 Interim Usage Fees**

Pursuant to section 25(1) of *the Electricity Act, 1998* the Independent Electricity System Operator (IESO) respectfully requests approval to charge its approved 2025 usage fees on an interim basis beginning January 1, 2026 to domestic and export consumers, until the end of the month in which the IESO's 2026 usage fees are approved.

The IESO's approved 2025 usage fees are \$1.4492/MWh for domestic customers and \$1.4398/MWh for export customers.¹

The IESO will file its 2026-2028 Revenue Requirement Submission in which it will propose 2026 usage fees, after the Minister approves its 2026-2028 Business Plan.

Please contact me directly at 416-969-6090 or Carrie.Aloussis@ieso.ca if you have any questions.

Sincerely,

Carrie Aloussis
