Dear Mr. Murray,

**Re: City of Guelph Franchise Agreement  
EB-2025-0058**

I am writing on behalf of eMERGE Guelph Sustainability (eMERGE Guelph) in support of the City of Guelph's request for an extension to file final submissions in the above-noted matter.

eMERGE Guelph would equally benefit from an extension to the proposed date of January 9<sup>th</sup>, 2026. As was outlined in the City's request, December is a very busy month and the intervenors can coordinate submissions more effectively with a slightly extended timeline. In addition, an extension would not prejudice the Applicant, especially in light of the OEB's own Holiday Timeout between December 20<sup>th</sup> and January 4<sup>th</sup>, 2026.

For the foregoing reasons, as well as those outlined in the City's letter, we respectfully request that the deadline to file intervenor submissions be extended to January 9, 2025.

Yours truly,

Kent Elson
