**DECISION AND ORDER**

Provident Energy Management Inc. (Provident Energy) filed a complete application on October 8, 2025, under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an amendment to unit sub-metering licence ES-2023-0266.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The application has been considered by the Delegated Authority without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant is seeking to add the trade names “PowerStream Energy Services” and “PESI” to Schedule 1 of licence ES-2023-0266, to reflect the acquisition of Alectra Energy Services Inc.’s unit sub-metering business, including all related assets and contracts.

The OEB grants the addition of trade names to unit sub-metering licence ES-2023-0266 to Provident Energy. There are no other changes to the licence.

**IT IS ORDERED THAT:**

1. Unit sub-metering licence ES-2023-0266 is amended to include “PowerStream Energy Services” and “PESI” as trade names. The amended licence is attached to this Decision and Order.
