Dear David Savage

Re: EB-2025-0016 Oakville Hydro Electricity Distribution Inc. IRM Application for 2026 Rates

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding to Oakville Hydro Electricity Distribution Inc. (Oakville Hydro) on December 1, 2025. On December 3, 2025, in its comments on the drafts, Oakville Hydro provided a revised description of its customer count. Section 2 (Context and Process) of the draft Decision and Rate Order noted (at paragraph 4) that Oakville Hydro serves approximately 77,000 customers. Oakville Hydro stated that a customer count of 79,000 customers would be more accurate.

The OEB has approved this update and applied the change to the final Decision and Rate Order.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Ritchie Murray
Acting Registrar
