RE: Notice of In-Service Date for North Glengarry BESS and request for electricity storage licence

Dear Registrar,

On behalf of North Glengarry BESS Inc., I would like to inform you that the facility, North Glengarry BESS, in our application to the Ontario Energy Board (“OEB”) has been constructed as of **December 10<sup>th</sup>, 2025** and is expected to be in service as of **January 23rd, 2026**

North Glengarry BESS Inc. is requesting that the OEB issue the electricity storage licence as per the Decision and Order **EB-2025-0070**, from February 25, 2025. This licence is required to operate within the IESO market and to allow us to claim commercial operation under our contract with the Independent Electricity System Operator.

If you have any questions, please let me know,

Sincerely,

A handwritten signature in purple ink, appearing to read 'J. Cheszes', with a stylized flourish extending to the right.
