Dear Paula Ohreen:

**Re: TransAlta Energy Marketing Corp. (TransAlta Energy)  
Applications for Electricity Wholesaler Licence  
File: EB-2025-0322**

The Ontario Energy Board (OEB) received TransAlta Energy's application for an electricity wholesaler licence on November 28, 2025. The OEB has commenced processing the applications and has assigned file numbers EB-2025-0322.

The application will be decided by an employee of the OEB who has been delegated this authority under section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the applications without holding a hearing.

If required, OEB staff will contact you directly to seek clarification regarding the applications or to request additional information. Please note that the timely processing of the applications depends on the receipt of information within the specified timelines.

TransAlta Energy is reminded that they are responsible for ensuring that the documents they file with the OEB, such as their evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions to Natasha Gocool, Advisor, Transmission Policy & Compliance at [natasha.gocool@oeb.ca](mailto:natasha.gocool@oeb.ca). Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your applications.

Yours truly,
