Dear Ritchie Murray:

**Re: E.L.K. Energy Inc.
OEB Staff Comments on Draft Rate Order
OEB File Number: EB-2024-0015**

On December 11, 2025, the Ontario Energy Board (OEB) issued its Decision and Order in Phase 2 of this proceeding. The OEB directed E.L.K. Energy Inc. (E.L.K. Energy) to file a Draft Rate Order reflecting the findings in its Decision and Order by December 16, 2025. E.L.K. Energy was also required to include a proposed Tariff of Rates and Charges, as well as customer rate impacts and detailed information in support of the calculation of final rates in the Draft Rate Order.

OEB staff has reviewed the documents filed by E.L.K. Energy and submits that it has no concerns other than the comment noted below:

Tariff of Rates and Charges

The “effective until” date for the ‘Rate Rider for Disposition of Deferral/Variance Accounts (2025)’ is shown for all rate classes as April 30, 2026. This should be updated to December 31, 2026.

OEB staff recommends that E.L.K. Energy reflect this proposed revision in its reply submission on the Draft Rate Order.

Yours truly,

Harshleen Kaur
Advisor, Incentive Rate-Setting
