ONTARIO ENERGY BOARD

Dear Ontario Energy Board:

Re: Windlectric Inc – #EB-2014-0300 Application for Leave to Construct Transmission Facilities

We write on behalf of the Council of Loyalist Township with regard to the application by Windlectric Inc. for Leave to Construct Transmission Facilities in support of a proposed 75MW wind generation facility on Amherst Island. The Windlectric application petitions the OEB to proceed by way of written hearing to hear this firm's application.

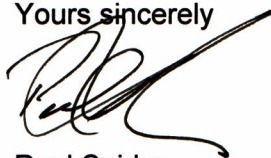

Council has received a request from the Association to Protect Amherst Island (APAI) to support the Associations request that this hearing be held on Amherst Island and that this hearing be oral rather than a written format. Council reviewed this request at their meeting of December 12, 2015 and passed the following Resolution 2015.3.14 in support of the APAI request:

Moved by Councillor Ashley and Seconded by Councillor Gordon that the correspondence received from Peter Large, December 11, 2014 re: Request for the support of Council regarding the submission of a letter to OEB supporting the idea of an oral hearing, be received and supported. Motion carried.

Therefore, please be advised that Loyalist Township Council requests that the OEB schedule the required hearing for the Windlectric Application for Leave to Construct Transmission Facilities as an oral hearing to be held on Amherst Island.

Should you require further information, please contact the undersigned.

Yours sincerely

A handwritten signature in black ink, appearing to be 'Paul Snider', written over the words 'Yours sincerely'.

Paul Snider
