Dear Heather Dowling:

Re: EB-2025-0049 Centre Wellington Hydro Ltd. Application for 2026 Rates

The Ontario Energy Board (OEB) issued a Decision and Rate Order in the above-noted proceeding on December 18, 2025. On December 18, 2025, in its comments on the Decision and Rate Order Centre Wellington Hydro Ltd. noted an error in the implementation date of the Advanced Capital Module (ACM) rate rider.

The correction can be found on page 12 of the Revised Decision and Rate Order a copy of which is attached. The Decision and Rate Order now reads:

Centre Wellington Hydro Ltd. is requesting an ACM rate rider (from **January** 1, 2026 until its next cost of service)

The Decision and Rate Order, as originally issued, stated:

Centre Wellington Hydro Ltd. is requesting an ACM rate rider (from **May** 1, 2026 until its next cost of service)

The OEB has issued a revised Decision and Rate Order at this time.

Any questions relating to this letter should be directed to Kelli Benincasa at kelli.benincasa@oeb.ca or at 416-440-7624. The OEB's toll-free number is 1-888-632-6273.

Yours truly,

Ritchie Murray
Acting Registrar
