Dear Mr. Murray,

**Re: GrandBridge Energy Inc. Non-Wires Solutions Program Application
Ontario Energy Board File No.: EB-2025-0265**

Attached please find GrandBridge Energy Inc.'s (GrandBridge Energy or GBE) affidavit filed pursuant to the Ontario Energy Board's (OEB) December 19, 2025, Letter of Direction (Letter) regarding service of the OEB's Notice of Hearing for GrandBridge Energy's Non-Wires Solutions Program Application.

The affidavit outlines the steps GrandBridge Energy has taken to comply with paragraphs 1 through 4 of the Letter. With respect to paragraph 3 of the Letter, GrandBridge Energy notes that the subject line of the email sent to customers inadvertently differs slightly in form, though not in substance, from the wording specified in the Letter. GrandBridge Energy determined that issuing a follow-up email solely to correct this minor discrepancy could create unnecessary confusion for customers.

An electronic version of the affidavit has been filed through the OEB's Regulatory Electronic Submission System (RESS).

Should you have any questions or require additional information, please do not hesitate to contact the undersigned.

Yours Truly,

/s/ Gaetana Girardi
