## Issues:

Pollution Probe represents a policy interest related to the LTC issues list applicable to this proceeding. Specific project issues include: - Economic Analysis in alignment with OEB requirements - Environmental Impacts - Socio-economic and environmental policy and other requirements under the OEB's Environmental Guidelines applicable to this specific project. - Mitigation of environmental and socio-economic impacts in accordance with regulations. - Multiple Source Protection Areas are located in the project study area. - Shallow Bedrock is present along the route and there are 493 water wells identified within the study area.

## Policy Interests:

See above.

## Hearings:

Pollution Probe recommends that the OEB make a decision on the format of the hearing following the interrogatory phase of the proceeding.

## Evidence:

Pollution Probe does not intend to commission expert evidence at this time.

## Coordination with Other Intervenors:

Pollution Probe has been an active and valuable participant in OEB proceedings, including community expansion applications and will continue to coordinate its activities with impacted consumers, intervenors and other parties as appropriate.

## Cost Awards:

Pollution Probe respectfully requests your acceptance of this intervenor request and confirmation that it will be eligible for its costs. Pollution Probe is a not-for-profit charitable organization. We receive individual donations as well as funding for consumer and research projects. Without the prospect of an award of costs, Pollution Probe's ability to participate in this proceeding would not be possible.

## Language Preference:

English
