**Re: Request for Extension – Interrogatory Response Deadline  
Lakeland Power Distribution Ltd - 2026 IRM Distribution Rate Application  
OEB File No. EB-2025-0024**

Dear Mr. Murray,

Lakeland Power respectfully requests an extension to the current deadline of January 16, 2026, for filing responses to the interrogatories issued on December 19, 2025. Given the reduced staff availability over the holiday break, the number of questions received and the depth of information requested, additional time is required to ensure that responses are complete, accurate, and appropriately supported.

We request an extension to file the interrogatory responses on or before January 23, 2026.

Lakeland Power appreciates the Board's consideration of this request and remains committed to providing comprehensive and high-quality responses to assist in the efficient review of the application.

Should the board have questions regarding this request, please contact Andrew Trousdale at [atrousdale@lakelandholding.com](mailto:atrousdale@lakelandholding.com).

Thank you for your consideration.

Respectfully Submitted,
