Dear Erin Stevens:

**Re: Elexicon Energy Inc. (Elexicon Energy)
2027 Cost of Service Application
OEB File Number: EB-2025-0312**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated December 22, 2025, the OEB has completed its preliminary review of your 2027-2031 Custom Rate Application for Electricity Rates and Charges.

The OEB notes that Elexicon Energy has not filed the items listed below, which are required to be filed under the OEB's *Chapter 5 Filing Requirements for Electricity Distribution Rate Applications – 2025 Edition for 2026 Rate Applications*.

- Chapter 1: Confidential Information – A copy of the cover letter requesting confidentiality placed on the public record and updated exhibits, including new versions of any exhibits with additional redactions.
- Chapter 2: 2.5.2 Cost of Capital (Return on Equity and Cost of Debt) – Copies of any current promissory or demand notes or other debt arrangements with affiliates.
- Chapter 2: 2.7.1 Cost Allocation Study Requirements – Amendment to include missing cost allocation information.

The OEB understands that Elexicon Energy is working to meet the OEB's requirement in this regard and has therefore decided to commence its review of Elexicon Energy's application and proceed with its Notice of Hearing. Given that the OEB has commenced its review of Elexicon Energy's application, the OEB requires that Elexicon Energy file

the items listed above by **January 23, 2026**. The filing of the information by **January 23, 2026** will allow the OEB to continue processing the application in a timely manner. If the noted information is not filed by **January 23, 2026**, then the OEB may stop processing Elexicon Energy's application and may place the application in abeyance until such time as the missing information is filed.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications](#), Elexicon Energy has confirmed that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

Elexicon Energy is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Case Manager, Vithooshan Ganesanathan at Vithooshan.Ganesanathan@oeb.ca.

Yours truly,

Ritchie Murray
Acting Registrar
