Dear Mr. Murray:

Re: EB-2025-0297: Application by Ontario Power Generation Inc. and DNNP LP by its general partner, DNNP GP Inc., (together, the “Applicants”) for an order or orders relating to payment amounts for prescribed generating facilities (the “Application”) – Supplemental request for confidential treatment of information in pre-filed evidence

The Applicants filed the Application on December 12, 2025 together with a request for the OEB’s approval to either permanently redact and/or treat as confidential, certain information included in the Application, in accordance with Rule 10 of the Ontario Energy Board’s (“OEB” or the “Board”) *Rules of Practice and Procedure* and the OEB’s *Practice Direction on Confidential Filings* (the “Practice Direction”).

On January 19, 2026, the Applicants filed additional pre-filed evidence (the “January 19 Pre-filed Evidence”). The Applicants hereby request the OEB’s approval to treat as confidential, certain information included in the January 19 Pre-filed Evidence (the “Confidential Information”).

The Confidential Information is identified in “Appendix A”, which provides the basis for the Applicants’ request for confidential treatment, in accordance with Parts 5.1.4 and 11.1.2 of the Practice Direction. All proposed Confidential Information has been redacted in the public version of the January 19 Pre-filed Evidence filed with the OEB.

The Applicants have attached “Appendix B” – excluded from the public version of this letter – which includes the confidential (non-redacted) versions of the relevant document. In “Appendix B”, information for which the Applicants seek confidential treatment on the record has been marked for redaction with a red box.

Should the OEB require any further information or clarification as to the requests made herein, please contact the Applicant or its legal counsel as required.

Respectfully submitted,
