Subject: OEB application EB-2025-0306—address of applicant

Dear Registrar:

I am applying to be an Intervenor in OEB hearings on Enbridge Gas Inc.'s application to construct a pipeline to the communities of Lanark, Balderson and surrounding areas. The OEB website states that the Intervenor Form must be filed (**with a copy to the applicant**) no later than the deadline specified in the Notice of Hearing. The stated deadline for submissions is January 26, 2026 (the Notice of Application only appeared in the local paper on January 13).

I contacted Enbridge but was unable to get an address for sending them a copy of the Form.

Given the deadline is this coming Monday, please provide me with the information needed to contact Enbridge.

Sincerely,

Gordon
