Dear Erin Stevens:

Re: EB-2025-0046 Application for 2026 Distribution Rates

The Ontario Energy Board (OEB) is in receipt of Elexicon Energy Inc.'s (Elexicon Energy) January 20, 2026 letter. In its letter, Elexicon Energy requested an extension to the deadline, from January 19, 2026 to January 21, 2026, for the filing of its Draft Rate Order (DRO). Elexicon Energy also noted that it should be able to implement rates for consumption beginning February 1, 2026, if it receives a Final Rate Order from the OEB by February 6, 2026.

The OEB approves Elexicon Energy's request to file the DRO by January 21, 2026 and maintains the timelines for the subsequent procedural steps established in the Decision and Order issued on January 15, 2026.

Yours truly,

Ritchie Murray
Acting Registrar
