Good morning Mark

In accordance with the Ontario Energy Board's Letter of Direction for Hydro Hawkesbury Inc. (HHI) 2026 Distribution Rates application, we are providing you with the required materials related to EB-2025-0031 as a past intervener of record in previous applications.

In its IRM application, Hydro Hawkesbury is seeking approval to dispose of 2025 cost-of-capital variance balances through a one-time rate rider and to realign base rates to the OEB's final cost-of-capital parameters.

Please find enclosed the English Notice of Hearing.

The full application and supporting evidence can be accessed at the link below:

<https://HHI 2026 IRM Distribution Rate Application>

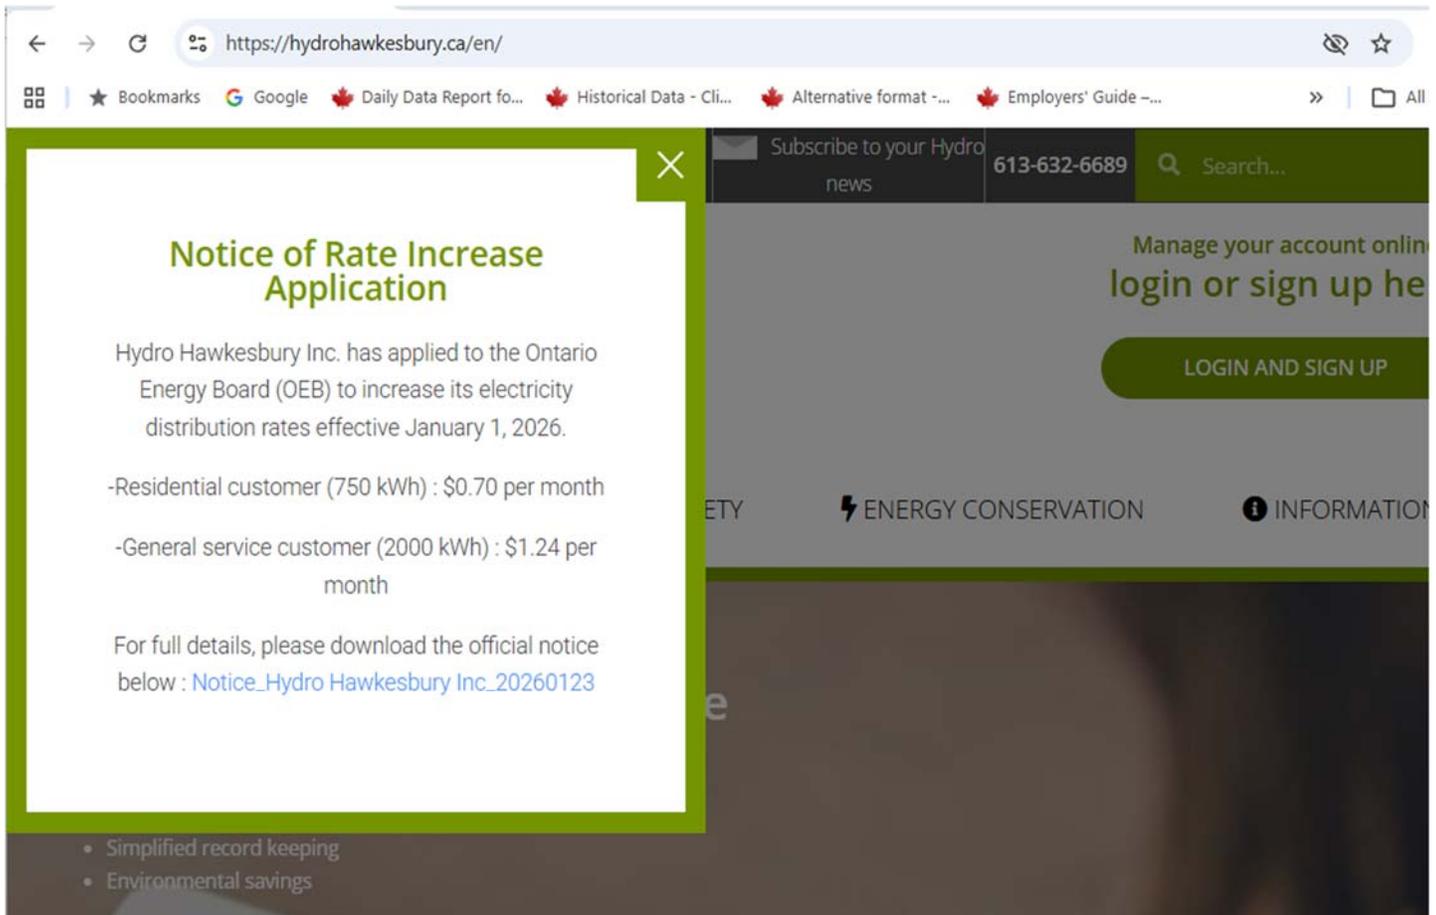

If you have any questions or concerns, please don't hesitate to let us know.

Thanks  
Manuela Ris
