Subject: Redacted - Letter of Comment - EB-2025-0312

-- Name --

Ian Wakely

-- Do you reside in the impacted service area? --

Yes

-- Comments --

This rate increase should and needs to be struck down. It's already hard enough to keep the lights on, on a fixed income. Allowing higher rates will make it even harder, if not impossible for people like myself and others.

People shouldn't have to choose between having lights on, or eating, when budgeting for the month.
