Dear Ms. Walli :

Re: Hydro One Networks Inc. ("Hydro One")
Board File No.: EB-2008-0272

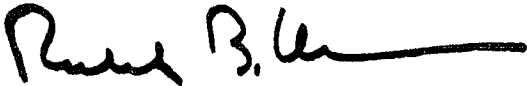

We are counsel to the Consumers Council of Canada.

What follows are our comments on the Proposed Issues List attached as Appendix "A" to the Procedural Order No. 1, dated November 14, 2008.

We have reviewed the letter from counsel for the Vulnerable Energy Consumers Coalition ("VECC") of November 21, 2008. In our view, the matters listed in that letter should be considered as part of the application. In our view, the matters are covered by the Proposed Issues List. However, if they are not, then we agree that the Proposed Issues List should be expanded to include the matters set out in the letter from counsel for VECC.

Yours truly,

WeirFoulds LLP
