Dear Mr. Ritche Murray,

**Re: PUC Distribution Inc. (License ED-2002-0546)  
2025 IRM Rate Application (EB-2025-0012)  
Draft Decision and Rate Order comments**

---

Pursuant to the OEB's letter dated February 18, PUC Distribution Inc. ("PUC") has reviewed the OEB's draft Decision and Rate Order, as well as the accompanying rate model for its 2026 IRM Application.

PUC noted a minor difference of \$1 between the disposition amount stated in the letter and the corresponding amount shown in the table, which appears to be due to rounding and is a presentation difference only.

Subject to the minor difference noted above, PUC confirms that the draft Decision and Rate Order and accompanying rate model are complete and accurate.

Thank you in advance.

Sincerely,
