Dear Gaetana Girardi:

**Re: GrandBridge Energy Inc.  
Non-Wires Solutions Program Application  
Ontario Energy Board (OEB) File Number: EB-2025-0265**

[Procedural Order No. 1](#), among other things, made provision for the filing of interrogatories and interrogatory responses. OEB staff and Intervenors filed interrogatories by February 2, 2026, and GrandBridge Energy Inc. (GrandBridge Energy) filed interrogatory responses on February 17, 2026.

On February 23, 2026, extension letters to file submissions were received by OEB staff and School Energy Coalition, on its own behalf, as well as on behalf of each of the other participating intervenors, the Concerned Manufacturers and Businesses of Canada, Environmental Defence, and the Vulnerable Energy Consumers Coalition. Reply comments were received by GrandBridge Energy on February 24, 2026.

The OEB notes that parties have sought additional clarity from GrandBridge Energy through interrogatories and that GrandBridge Energy has subsequently provided responses. However, the OEB requires responses from GrandBridge Energy to the additional questions specified below.

**The OEB requires that GrandBridge Energy provide the following information:**

1. Please provide an update as to the status of the customer registration process for GrandBridge Energy's NWS Program that closes on March 6, 2026. In the response, please explicitly include (i) the number of participants who have

registered to date and (ii) what type of customers they are. E.g. Data Centres, commercial, etc.).

2. GrandBridge Energy requested the recovery of differences in the NWS program revenue between the effective date and implementation date. Would a partial decision on the recovery of difference by May 1, 2026, help alleviate the concerns of delay in OEB decision to June 2026?

The OEB requests that GrandBridge Energy file a written response to this letter no later than **February 26, 2026**.

Please direct any questions relating to this application to the Case Manager, Michael Bell, at 416-440-7688 or [michael.bell@oeb.ca](mailto:michael.bell@oeb.ca).

Yours truly,

Batul Rahimtoola  
Acting Manager, Applications Administration

c: All Intervenors in EB-2025-0265
