Dear Evelyn Wong:

**Re: Ontario Power Generation Inc. (OPG) and DNNP LP (the Applicants)
2027-2031 Payment Amounts Application
OEB File Number: EB-2025-0297**

As part of their pre-filed evidence, the Applicants included the following expert reports:

- Concentric Energy Advisors: Common Equity Ratio Study (included as Exhibit C1-1-1 Attachment 1).
- London Economics International LLC: Analysis of Inflation Factor Options for OPG's Regulated Hydroelectric Business (included as Exhibit A1-3-2 Attachment 1).
- London Economics International LLC: Empirical Analysis of Total Factor Productivity Trends in the North American Hydroelectric Generation Industry (included as Exhibit A1-3-2 Attachment 2).
- London Economics International LLC: Benchmarking the Costs of Hydroelectric Generation Companies in North America (included as Exhibit A1-3-2 Attachment 3).
- ScottMadden: OPG Nuclear Cost Performance Benchmarking – A Study of Factors Impacting TGC/MWH Performance with Normalizing Adjustments to Facilitate Closer Comparison (included as Exhibit F2-1-1, Attachment 4).

OEB staff would like to notify the Applicants that, as part of its interrogatories submitted

on March 11, 2026, it intends to request all underlying work files (including underlying database files, spreadsheets, program code, or other underlying documentation) used to produce the tables, figures, and calculations presented in each of the studies referred to above. Staff would appreciate if the Applicants can provide this information ahead of the interrogatories deadline, if possible by March 5, 2026.

Yours truly,

Jeffrey Sauer
Senior Advisor
Generation & Transmission
