Re: 2026 IRM Application EB-2025-0017

On February 24, 2026, the Ontario Energy Board issued a draft decision and rate order on Northern Ontario Wires Inc.'s (NOW Inc.) 2026 Price Cap IR application for rates effective May 1, 2026.

Uniform Transmission Rates and Hydro One Networks Inc. Sub-Transmission Rates on Tab 11 of the Rate Generator Model have been updated to reflect the most recent values established by the OEB. NOW Inc. confirms the accuracy of these changes.

NOW Inc. has completed its review and confirms it has no concerns with respect to the draft decision and rate order.

Kind regards,

NORTHERN ONTARIO WIRES INC.
