Dear Scott Lemke:

**Re: Nyon Oil Inc. and 1170367 Ontario Inc.
Application for Expropriation Near City of Port Colborne
OEB File Number: EB-2024-0142**

The OEB is in receipt of the letter filed on behalf of Nyon Oil Inc. and 1170367 Ontario Inc. (Nyon and 117) on February 27, 2026, requesting the OEB to convene a settlement conference.

Although the parties are encouraged to have whatever discussions that would help resolve their dispute, the OEB is denying Nyon and 117's request to convene a formal settlement conference. The OEB is proceeding with its deliberations based on the evidentiary record before it, which it believes is sufficient evidence to address the issues in the proceeding. Should the parties come to some proposed agreement they can advise the OEB; however, the OEB finds there is currently no need for an OEB ordered settlement conference.

Please direct any questions relating to this application to the Case Manager, Muhammad Yunus, at 416-544-5178 or Muhammad.Yunus@oeb.ca.

Yours truly,

Ritchie Murray
Acting Registrar
