Subject: Follow-up question on staff-8

Hi Mike,

I have a follow-up question regarding your response to Staff Question #8. You noted:

“The principal adjustments for a debit of \$3,101,655 for Account 1589 and a credit of \$3,142,072 for Account 1588 are one-time adjustments approved in the Cost-of-Service Application. They correct the movement from Cost of Power to Global Adjustment based on the findings of the Tillsonburg Hydro Inc. Inspection of Group 1 Deferral and Variance Accounts 1588 and 1589, April 2024. They only relate to the correction of prior year balances and are not to be reversed.”

Could you please confirm whether the inspection of Accounts 1588 and 1589 in April 2024 was conducted by **the OEB**?

Thank you,

Urooj Iqbal
