OPG Payment Amounts for 2027-2031  
Ontario Energy Board (OEB) Staff Evidence  
OEB File Number: EB-2025-0297**

In response to Procedural Order No. 2, OEB staff filed a letter on March 6, 2026 identifying the written evidence it proposes to file in this proceeding.

OEB staff indicated that it had retained Christensen Associates Energy Consulting, LLC and Pacific Economics Group Research, LLC to prepare evidence and assist OEB staff in reviewing evidence supporting certain approvals sought by the Applicants, in the following areas:

- OPG's and DNNP LP's proposed capital structure
- The proposed nuclear Custom Incentive Rate-setting framework to set blended nuclear payment amounts, including the underlying benchmarking evidence
- The proposed Custom Incentive Rate-setting framework to set hydroelectric payment amounts, including the factors to index the 2028-2031 payment amounts and the underlying benchmarking and productivity evidence

Pursuant to Rule 13.02 of the OEB's Rules of Practice and Procedure, the OEB approves OEB staff's request as outlined in the March 6, 2026 letter.

Yours truly,

Ritchie Murray  
Acting Registrar
