Dear Mr. Murray

Re: EB-2026-0091– QRAM April 1st, 2026

We are writing on behalf of Canadian Manufacturers & Exporters (“CME”). Please consider this correspondence as CME’s written comments regarding Enbridge Gas Inc.’s (“EGI”) QRAM Application, which seeks changes to its rates for the sale, distribution, storage and transmission of natural gas effective April 1st, 2026.

As the Board is aware, it is CME’s practice to conduct a due diligence of EGI’s QRAM applications. We have also reviewed the questions posed by the Federation of Rental Housing Providers of Ontario. Based on its review, CME does not have any additional questions of EGI

CME requests an award of its reasonably incurred costs in connection with conducting its examination of EGI’s QRAM Application.

Yours very truly
